

Dear Valued Partners and Guests

Amidst the backdrop of the Covid-19 pandemic and in line with public health advice, we have taken the decision to temporarily close Inyati Game Lodge with immediate effect. It is our intention to reopen on 1 May 2020 provided that it is safe to do so. While this was a hard decision for us to make, we believe it is the socially responsible thing to do and it is important to take the required precautionary measures to protect our team, our guests, our families and our communities. The global trend is towards social distancing, self-isolation and the cancellation of non-essential travel.

Most of our guests have decided to postpone their travels, rather than cancel, and we would encourage others to follow suit. Our reservations team is handling each booking on an individual basis and we will do everything possible to accommodate amended bookings.

For any queries on existing or future bookings, please contact our reservations team at res@inyati.co.za

These are unique and challenging times for everyone concerned and our thoughts are with all of you who have been affected by this crisis.

Thank you for your patience, understanding and support.

Warm bushveld regards

Leighanne Dawkins
